

NanoEvent at AMI

and Kick-off IC NanoPolymers & -Surfaces

22. November 2011, 14:00 – 18:30

**Adolphe Merkle Institute (AMI)
 Route de l'Ancienne Papeterie
 CH-1723 Marly (Fribourg)**

Kick-off Innovation Circle NanoPolymers & -Surfaces of i-net Nano	
14:00 14:10	Welcome & News i-net BASEL Nano <i>Marco Romanelli, i-net BASEL Nano</i>
14:10 14:30	New Innovation Circle (IC) NanoPolymers & -Surfaces of i-net Nano <i>Dr. Werner Rutsch, Head IC NanoPolymers & -Surfaces</i>
14:30 14:50	Research and Applications of NanoPolymers at INKA, FHNW & PSI <i>Prof. J. Gobrecht, Prof. M. Kristiansen, PSI / FHNW</i>
14:50 15:10	Cellulose based Bio-Nanocomposites <i>Dr. Johan Foster, Group Leader Polymer Chemistry & Materials, AMI</i>
15:10 15:40	Questions, Coffee Break & Networking
Presentation Adolphe Merkle Institute	
15:40 16:00	Nano-Initiatives in the region of Fribourg <i>Dr. Marc Pauchard, Technology Transfer Manager, AMI</i>
16:00 16:30	Adolphe Merkle Institute – A hub for NanoScience and -technology <i>Prof. Christoph Weder, Director AMI</i>
16:30 18:00	Lab Tour AMI: Research and Applications
ab 18:00	Apéro & Networking

Attendance free of charge by enrolment until November 17th at
www.inet-basel.ch/nanoevent-fribourg
